

# Adult Day Health

The Adult Day Health program  
provides medical care,  
community support and  
enrichment for aging adults  
looking to live well, and remain  
active in their communities.

---

## Massachusetts

**Our adult day health centers allow seniors to enjoy life to the fullest, form new relationships with dedicated staff and fellow participants, while loved ones gain peace of mind, knowing their family member's needs are being met by dedicated professionals.**

**Programs Offered:**

- › Behavioral Health Supports
- › Bilingual Staff
- › Case Management
- › Individual Plans of Care
- › Nursing Care
- › Nutritional Supports
- › Rehabilitation
- › Social and Recreational Activities
- › Transportation

**We're proud to offer our Adult Day Health program to older adults and other community members who qualify at the following locations:** Allston, Beverly, Brighton, Brockton, Dorchester, Holyoke, Lawrence, Malden, Marlborough, North Andover, Springfield, Stoughton, West Boylston, West Springfield, and Worcester
